Popular for tea-time treats, deserts and any-time snacks.

Mini Quiche Shells

R30.00*

A "short-bread" crispy, but not a flacky type of shell made with margarien and NOT butter. About 5 cm in diameter

Packed 25 units per bag. Popular with the traditional quiche filling.

Treat your quests to mini pizza's, serve your salad in it, or show-off with your special salmon/fishy filling.

Don't forget to treat those with a sweet tooth.

Cream Horns

A crispy shell, but not flacky. Made with a lite margarien and cream of tartar, but no eggs.

Bulk Packed 30 dozen in a box. R220.00*

Packed 3 dozen on a tray. R23.50*

Place your cream horn upright and surprise your guests with a savoury starter. Mostly popular to serve at tea-time.

Crumbs

R15.00

280g crumbs made from disformed/broken shells. Ideal for tart basis, dessert and other.

Ingredients

These products contain neither salt nor sugar.

Basic ingredients are flour, margarien and eggs.

The Cocktail and mini quiche shells have a shelf-life of two months if stored in a dark, cool place.

These shells can be frozen in an air-tight container.

The cream horns, however, have a shelf-life of almost one year if stored in a dark, cool place.

Traditional Tart Basis

R23.50*

A sweet tart base in foil tray. Packed in two's.

Popular for milk tart and/or savoury tarts.

Hoefies / Palmiers
